

Letter of Recommendation Form

to *Oakcliff Sailing Center*

Oakcliff Sailing Center is a non-profit sailing center dedicated to raising the level of sailors and sailing in the United States. In our signature program, high-school-aged Acorns participate in an intensive three-week training camp, while college-aged Saplings spend the entire summer learning match racing, offshore racing, boat work and business management. Both programs serve as a farm team for the Oakcliff All-American Offshore Team.

The Acorn and Sapling Program requires a passion for sailing and learning, strong communication skills, and a high level of self-direction. The program is competitive; we are seeking students who be the next leaders of American sailing. Feel free to write your answers on the back of this form or write them in a separate document. Visit www.oakcliffsailing.org for more information.
