## TASKS FOR SUCCESSFUL AMERICAN OLYMPIC TRAINING AND SUCCESS

## General Goals and Standards Accepted as Fact for this Discussion

Create a structure for American Athletes to podium at the Olympic Games Strive for the highest level of excellence and professionalism - from athletes to coaches to organizers and supporters

Achieve Financial Stability and Integrity for all programs including all regulatory and best practices (audits, transparency etc.)

Work with mutual respect of each entity / participant

Put the overall team first and individual athletes second Culture of excellence, good humans, coach, teach, correct, enable athletes to reach their highest level

## **Delinations and Definitions of Stages**

Directions for Survey

Optis and Under Starts local - up to age 15 or 110lbs whichever comes first

Age/Size/Interest out of Opti with a passion to explore any and all further sailing

Training Phase opportunities. Starting at age 15

Determined an athlete has or will have the correct size, interest, motivation, capacity to and at least an outside chance of making the Olympic Squad Generally age 19 and above

Olympic Development (ODP Team)
Olympic Sailing Squad
US Sailing Team

**Olympic Team** 

Squads of 3-12 teams in the same class fighting to make the US Sailing team

The team that has qualified for the US Sailing Team - per Olympic Selection Committee's

Teams who have qualified and are going to the Olympics

## First - fill in each line in your column with Y, X or P

Yes we do and can do well

P if there is something that you absolutely do NOT do nor, want to do

Potentially can develop or take on

Note: US Sailing Association role was filled out colelctively as they refused to participate

Note: NYYC, StFSF and USSF declined to provide spread sheet data
